

Meeting local needs

Beacon Haven's mission is to support proper care and an expectancy of healing through Christian Science nursing.

The Beacon Haven Pathways program helps prepare 'local people to meet local needs' by helping them prepare for the ministry of Christian Science nursing.

Through Pathways, most training may be completed here at Beacon Haven, with professional and financial assistance provided along the entire journey.

Support along the pathway . . .

Christian Science nursing is a field of growing opportunity and abundant choices for work across the U.S., Europe, and Africa.

Beacon Haven's Pathways program makes exploring Christian Science nursing affordable.

For those called to the ministry of Christian Science nursing, Pathways can provide training, mentoring, and financial support along the entire journey to Journal listing.

Training support

Preparation for a career as a Christian Science nurse proceeds along a pathway with four levels of classroom instruction and hands-on practical training with patients.

The journey of Christian Science nursing begins with an in-house introductory class for students entering Level 1, and then continues through Levels 2 - 4.

Mentoring support

Experienced professional Christian Science nurses dedicated to your success will provide mentoring support through all four training levels.

To begin exploring the path of Christian Science nursing, call Beacon Haven at 651-379-0100.

Financial support

Christian Science nurses training with Beacon Haven may receive financial support along the entire pathway to Journal listing.

- ◆ Salary paid for the 3- to 4-week introductory classroom session.
- ◆ Cash bonuses paid upon completion of each of four training levels.
- ◆ Hourly pay for all training time. Wages increase with each training level.
- ◆ Opportunities for paid full- or part-time work during mentoring.
- ◆ All tuition, learning resources, and mentoring services are provided free, without charge to the student.

It is never too late to become a Christian Science nurse. Some Christian Science nurses at Beacon Haven began training directly after high school, others waited until their 70s.
